

Virgil's Cream Soda!

This wonderful "gourmet" beverage has been a staple of Ardevedra's existence since before we even had a name. In fact, a few of the name ideas we had for our band were some derivative or reference to this drink. So, if you are a fan of our music and you come to one of our shows, you can earn ULTRA AVA SUPER TROOPER STATUS (you're already an AVA Super Trooper just by coming to the show - and you probably also are if you're reading this right now) by bringing us some of this delicious nectar.
