Reed's Ginger Beer

SATURDAY, FEBRUARY 7, 2009 AT 5:32PM

While I was picking up my standard soda's for review this week at HEB, I decided to try some of Reeds Ginger Ale. When I got home, much to my chagrin, I had picked up Ginger Beer. Ginger Beer, as both Mike and I describe it, is like Ginger Ale + Fire. I figured that Reeds might be a bit different, because of the excellent products Reeds puts out.

After getting my first taste I was pleasantly surprised. It tasted like a Ginger Ale, and Ginger Snap, combination with a refreshing value to it. As I continued with the bottle the slight hint of fire began to invade my palate. I got to about halfway down the bottle until it wasn't refreshing for me anymore... then I had to stop. I knew where this road lead, and I wasn't going to go down it.

Verdict: Buy a Bottle!
