# Virgil's Black Cherry Cream Soda

ALL SIZES

*"We searched the world for the perfect black cherry cream taste. We hope you will find this to be the best cream soda you have ever tasted."*

## Success.

I'd never seen the black cherry cream soda before — I've seen Virgil's rootbeer and plain cream soda (in \$16 barrel cans) at Cost Plus many times, but now those products are offered in bottles. Turns out this brand is part of Reed's, the makers of those [awesome ginger ales](#), and it also turns out there are *four* flavors of ginger ale available
