Fruit Liqueurs

Last week's topic was a broad one, and this was definitely reflected in the array of recipes that came out of the night. The best cocktail of the evening ended up being one of the simplest.

Apple of My Eye

- 1 1/2oz bonded applejack
- 3/4oz Apfelkorn
- dry sparkling apple cider, to top (I used Reed's Spiced Apple Brew)
- curl of apple peel, for garnish

Build over crushed ice and stir.
