The BEST Cream Soda in Las Vegas (According to Kevin)

15. DEC, 2010 CATEGORIES: [SODA REVIEWS](#) BY [MRRONG](#) [VIEW COMMENTS](#)

Creepy under-aged kids being served beer by a lumberjack dude label on the outside, golden deliciousness on the inside.

Ask Kevin (the owner of Rocket Fizz Vegas) what his favorite cream soda is, and without any hesitation, he will point you to Virgil's Cream Soda.

Virgil's cream soda uses some of the same high quality ingredients that many of the soda at Rocket Fizz Vegas share. Cane sugar for a sweetener, real vanilla, and other natural ingredients.

The vanilla is imported from Madagascar (which is apparently famous for their vanilla and their lemurs). Virgil's is famous for brewing their sodas. Because it is brewed, Virgil's cream soda is nice and smooth. The flavors all have a chance to blend together. The vanilla flavor is strong, but not crazy overpowering. Virgil's cream soda is light on carbonation, and medium on bite. All these factors together come together for a very good cream soda.

What is your favorite cream soda?

My favorite, the one that keeps me coming into Rocket Fizz, is Fitz's Cream Soda. They too use cane sugar and the flavor is smooth.
