Reed's Premium Ginger Brew

Flavor: 4/5

Reed's Premium Ginger Brew is an exotic variety to say the least. It has over 17 grams of fresh ginger, which amounts to a powerful ginger flavor. Unlike most strong ginger ales, this drink does not have a long aftertaste or overly spicy feeling (although there is some heat). It gives off earth aroma, with a hint of pineapple and honey as the only sweeteners. Although this drink is not going to replace your everyday ginger ale, it is certainly worth checking out. Has a very earthy, natural brew aroma.

Drinkability: 4/5

Not as thick as other Reed's drinks. A good combination of exotic gourmet ginger ale, but with a hint of mainstream crispness. Would make a good, albeit exoitc, mixer due to its strength. Still a relatively heavy drink, thick and long lasting carboation.

Health: 5/5
